# Gurminder Bhamrah

Career Coach focused on Problem Solving and Team Collaboration
Guwahati, Assam, India

## Summary

As a Career Coach at Physicswallah since February 2025, I have been dedicated to supporting individuals in navigating their professional journeys by leveraging strong problem-solving, team collaboration, and analytical skills. My role focuses on fostering meaningful connections and contributing to the professional growth of those I work with.  Holding a degree from IIM, Kozihkode and a degree in geography, I bring a well-rounded academic foundation. Previous roles as Manager at multiple organizations have further developed my collaborative and analytical capabilities, which I apply to empower individuals in achieving their career aspirations.
